DIRECTOR'S WELCOME

Welcome Riders to the Sunny 80 Mini Mountain Bike Stage Race!

It's with immense pleasure that we gather here for the second year running, bringing the thrill and camaraderie of mountain biking to the beautiful region of the Sunshine Coast.

We extend our heartfelt gratitude to the Sunshine Coast Council for their unwavering support in making this event possible, the Bushrangers club for their care and trail maintenance as well as some key locals, and to all our amazing venues for welcoming us.

To all the riders, you are the lifeblood of this event, and your passion fuels our collective excitement. We look forward to welcoming back old faces and meeting new ones, as together we create the 2024 Sunny 80 experience.

What better way to escape the winter chill than to surround ourselves with the warmth of camaraderie and the adrenaline of the event.

We recognize that every great adventure begins with humble beginnings. While our event may be in its infancy, our vision for its future is boundless. We eagerly anticipate the growth ahead, envisioning even more riders joining our ranks, more trails conquered, and more moments of laughter and camaraderie shared. Thank you for choosing to be a part of the Sunny 80.

As we embark on this adventure through the stunning landscapes of the Sunshine Coast, let's take a moment to appreciate the incredible trails that await us. With each twist and turn, with every

ascent and descent, these trails offer not just a challenge, but a chance to immerse ourselves in the raw beauty of nature. Our team design the course with one aim, for you to have a hell of a good time!

We look forward to crowning our Weekend Warrior King and Queen of the event as we focus on the everyday rider and performing at your best. The team have worked through the King and Queen ranking system, and with a year under our belt we think we have the formula right, so be sure to get to the social functions each evening for spot prizes, King and Queen leader boards and a brand-new Q&A where you can hear the tales of the day surrounded by like minded people. You many just find yourself on the microphone with a story or two!

To all the riders gearing up for the race ahead, we wish you the best of luck. But remember, while the thrill of victory is enticing, the true essence of this event lies in the journey itself. So, ride with your hearts full, give it your all, and most importantly, enjoy every moment. For in the end, whether you cross the finish line first or last, what truly matters is that you have given it your personal best and had a fantastic time along the way.

Saddle up, soak up the sun, and let the Sunny 80 Mini Mountain Bike Stage Race begin!

HANDICAP SYSTEM

Our unique Quad Crown handicap system is one we have continued to revise across our first year of events. We are now really confident that we have nailed it and our overall goal is achieved - to identify and crown the Weekend Warriors who ride to the best of their ability at each of our events.

This award is open to the whole field of riders (other than the Elites) and in essence you are riding the stages against yourself, much like a golfing handicap system works! Each rider will be given a handicap from the Prelude based on their own time versus the average time for all riders. So it is VERY IMPORTANT that you ride the Prelude if you want to be included in the race for the Warrior Crown!

The Prelude handicap will produce an expected time for Stage 1 which will be compared with your actual time. The rider who gets as close as possible to their expected time will be deemed the Stage winner.

The same will then happen for Stage 2, with your overall comparison times leading to a final placement on the Weekend Warrior Leaderboard. The aim is to identify the “most consistent rider” who can ride to the best of their own ability over each of the stages at The Wild Penguin.

Keep an eye out for the Weekend Warrior Leaderboard after both Stages 1 and 2 as we will present stage winners for both male and female Warriors. At the conclusion of Sunday's Stage, we will award an overall Warrior King and Queen, which will be the riders in the field who raced closest to their handicap time over the two weekend stages. In the end this award is meant to be fun and create some banter amongst mates across various abilities too.

Introducing our 2023 King Rusty Mark and Queen Jayne Rutter for The Sunny 80 event. We can't be called the Quad Crown without some actual crowns, right? The main goal of Quad Crown events is to have FUN. Part of that is our unique handicap system, which helps us search for the riders in our events who have their best race, based on their ability to begin with. This pretty much means that EVERY rider can be in it to win it. Congrats again Rusty Mark and Jayne Rutter for your weekend warrior wins in 2023. Let's see if you can defend your crown again in 2024!

LOOKING FOR THINGS TO DO THIS WINTER?

FIND YOUR SUNSHINE MOMENT WITH THESE AWESOME ACTIVITIES ON THE SUNSHINE COAST.

GO WHALE WATCHING

During winter, you'll be sharing our big blue front yard with Humpbacks as they migrate north - so why not score a front row seat and watch in awe as they dance and frolic at sea. The crew at Sunreef Mooloolaba will get you up close and personal with these gentle giants. Sunshine Coast Afloat also offer incredible whale watching experiences that will provide 'pinch me' moments aplenty.

HOP ABOARD THE PRAWN STAR

The Wharf Mooloolaba has long been hailed as an unmissable foodie destination and one of its latest additions proves exactly why. Enter Prawn Star, a cheekily named converted fishing trawler moored permanently at the Wharf allowing you to dine on deck and dig into local seafood like a platter of world famous Mooloolaba prawns, crab and fresh oysters—an absolute seafood lover's paradise.

HIKE THE GLASS HOUSE MOUNTAINS

Feel connected to country in the Glass House Mountains, a formation of 11 ancient volcanic peaks that formed more than 25 million years ago, with a hike around the base of Mount Tibrogargen or climb to the summit of Mount Ngungun.

GO ON A CRAFT BEER TOUR

The Sunshine Coast has well and truly earned its title as Australia's Craft Beer Capital - with a slew of award-winning breweries dotted along the coastline and hinterland. Head to a taproom, order a tasting paddle and settle in for a cosy afternoon, slinging tasty meals (think: Mooloolaba prawns, towering burgers and pizzas), plus live music. Sip your way around the region by following the craft beer trail, or book yourself a spot on one of the awesome tours.

KAYAK THE EVERGLADES

Can you hear that sound? More than 40 per cent of Australia's bird species can be found living around the pristine waters of the Noosa Everglades - one of only two everglades systems found on earth - and one of the best ways to explore is a kayak with Kanu Kapers.

LEARN TO SURF

Surf's up year-round on the Sunshine Coast from the glassy waves of Noosa - a World Surf Reserve - to Australia's longest wave at Double Island Point. You'll be frothing to hit the waves, and a lesson with Coolum Surf School will have you hanging 10 in no time.

DINE IN QUEENSLAND'S SUNSHINE PANTRY

Enjoy paddock-to-plate dining at 114-year-old Mapleton Pub perched on top of the Blackall Range, or sip on a fruity gin inspired by our iconic Big Pineapple. There's an abundance of ways to taste our organic, seasonal produce.

GET YOUR ADRENALINE PUMPING

There's something special about spotting dolphins in the wild, and with Noosa Ocean Rider, you'll be at one with the creatures of the big blue on their Dolphin Safari or Whale Watching Tour.

CATEGORIES & AWARDS

The Sunny 80 is less about prize money and more about good times and an epic three days of riding. However, we do wish to acknowledge the riders who perform to the best of their ability and cross the finish line ahead of their cohort.

Our Handicap system ensures that everyone and anyone is in the mix to be crowned the overall winner of The Sunny 80 (Male and Female) and proclaimed King and Queen. Podium glory, prizing and a taste of royalty await the Male and Female who finish with the fastest adjusted time.

A total prize pool of \$2,000 will be spread amongst the top 3 Elite Male and Female place getters, with all other category winners receiving prizing and podium recognition.

ELITE RIDERS - IN IT TO WIN IT!

We all know elite riders are going to be up the front and smashing it like they do at every event. There will still be Leader jerseys for the leading male and female riders as well as podiums at the end to recognise the best of the best.

Furthermore, we allocate ranking points from each of the Quad Crown events. At the conclusion of the 2024 Series, an overall winner in the Elite Male and Female categories will be announced.

Points are allocated at each event based on the Top 10 places in both the male and female elite categories. The overall 2024 Series winners will be awarded at our The Big O in Victoria in November. Our 2023 Quad Crown Series winners were Dan McConnell and Peta Mullens.

IMPORTANT RIDE INFORMATION

RIDER REGISTRATION

All riders are required to collect their rider pack prior to the event start. This pack contains your bike plate, transponder, cable ties, a beer voucher for the Welcome Drinks at Moffat Beach Production House and an event t-shirt.

Rider Pack collection will be open at Sugarbag MTB Trails Carpark on Friday 7 June from 2:00pm and again 8:00am at Hidden Valley @ Gro mad plantations on Saturday 8 June. It is highly recommended that riders collect packs on Friday so that your bike is setup correctly in advance and to avoid time delays.

TIMING

The Sunny 80 is timed electronically by OneTime. You will receive a bike plate, transponder and cable ties in your rider pack. These need to be fixed to your bike for the duration of the event. Please affix your transponder as per the below image. You cannot change transponders with another rider as it is unique to your registration. The Transponders must be handed back at the finish line of your final day of riding. You may keep your plate as a souvenir. If you have a timing issue, please have a chat with our staff at the Race HQ tent.

RIDE | EXPLORE | COMPETE | REPEAT

IMPORTANT RIDE INFORMATION

ACCIDENTS ON COURSE

If a rider in front of you crashes, this is not an opportunity to pass! Please stop immediately and ask if they need assistance. The first rider on the scene should remain with the rider, if the rider requires medical assistance the second rider on the scene is to remember the rider number and move forward to the next marshal check point with a radio. This will allow for medical assistance to be called and first aid to respond.

RIDER ETIQUETTE

Riders are to be reported to the Event Director if they:

- Disobey road rules;
- Be rude or disrespectful to other riders or marshals;
- Who behave in a way that puts any rider or marshal in danger;
- Is reported to litter on course;

Quad Crown believes in the honest and supportive culture of Mountain Biking and holds the safety of our riders a priority. If you stop to assist a rider with a mechanical or injury, please report to HQ and you will be awarded a time credit for the time spent helping out a fellow rider.

HEALTH AND SAFETY

Whilst there is a portion of the course that is managed by our Traffic Controllers, the majority of it will have live traffic, meaning road rules will apply. Riders must NOT ride in a bunch on the road or take over the lane. It is important to understand that while traffic management is in place, roads remain open to vehicles. Riders must always give way to cars.

Riders who have medical conditions (eg Asthma) must carry their own medication for the duration of the event. All riders should carry enough food, water, basic first aid and a tool kit in their daily ride kit. There will be basic feed stations on the course to allow riders to adequately rest and refuel.

WITHDRAWING FROM THE RIDE

Should a rider decide to withdraw from the ride, they must notify official marshals on course, who will then communicate to the SAG vehicle to come and pick up the rider or alert timing so we're not waiting for you to finish while you're chilling at the after party!

RIDE | EXPLORE | COMPETE | REPEAT

IMPORTANT RIDE INFORMATION

START LINE – PRELUDE

The Prelude will see riders go out onto the course one by one with a 30 second gap between riders to ensure a clear run. All riders should be on location, checked in and ready to start by 3pm. There are overtaking points along the course should you need them and be sure to let a rider overtake should this happen to you.

Everyone should ride the Prelude as firstly it is a short, fun course and secondly it sets your handicap for the Weekend Warrior results and overall category rankings

START LINE – STAGES 1 & 2

Riders will be called into the Start grids based on their predetermined Start Times announced the day prior. The total number of rider numbers will dictate how many waves we will have.

You will be checked off as you enter the grid, and your transponder will be already programmed to a gun start time. If you wish to change waves to ride with a mate or you are running late, please let the timing tent know so we can make sure you get an accurate result. You're always welcome to hang back a wave to ride with your mates, however we cannot push riders forward a wave.
